

## ADS-2600W

### Wired and Wireless Network Document Scanner with 2-Sided Colour Scanning

Brother's integrated wired and wireless network document scanner offers busy workgroups an affordable opportunity to digitise, share and archive documents securely. Its suite of software, including TWAIN and ISIS scan drivers and direct scan features, enables easy integration into document management systems and enhances workflow. These include scan to USB memory stick, scan to searchable PDF, scan and storing business cards direct to your contacts, scan to email, FTP, and cloud services including Dropbox, Google Docs and Evernote, as well as a scan to SharePoint solution.

The ADS-2600W has been designed to enhance user experience with an easy to use swipe touch screen LCD, multi-feed detection, blank page removal and auto de-skew support.

#### Top Features:

- High speed scanning of up to 24ppm or 48ipm (2sided)
- Save costs on multiple devices by sharing the device with multiple staff via the wired or wireless connection
- 50 sheet ADF with multi-feed error detection provides reliable time saving scanning of multipage documents
- Convert hard copies to digital files quickly and easily with the simple to use 9.3cm colour swipe touch screen LCD
- Increase your workflow by scanning direct to USB stick and to cloud services including Google Docs, Facebook, Flickr, Picassa, Dropbox and Evernote
- Bundled with a range of software for both Windows and Mac, enabling document management, scan to PDF, business card scanning and scan to OCR
- Effortless integration into document management systems with TWAIN and ISIS scan drivers as standard
